

# WEEKLY ANNOUNCEMENTS

WEEK OF 3/16

This week's announcements...

Room 16 will be hosting a speaker on April 27th at 12:00. Dr. Elyas Parsa from San Joaquin County Hospital will facilitate a presentation on careers in the health field. Talk to your advisor to sign up.

Congrats to the basketball team, they won 1st place last week and won the championship!

The spring fundraiser for sports is happening now. The link to the fundraiser is below. Please donate and/or share the link with family and friends.

Fundraising is vital for the success of our program. The funds will aid us in purchasing new uniforms, equipment and other pertinent expenses. Each participant has a monetary goal, please consider donating or sharing via social media so that they may reach it. Thank you so much for your support.

The service learning class is looking for students to work with 2nd grade students at Jacobson Elementary School during the 4th quarter. This is a rewarding experience that not only looks good on your resume, but can also help you earn 5 credits in an English class of your choice or 10 elective credits. If you are interested talk to your advisor and see Mrs. Sprecksel in room 8 for more information. You must have good attendance and your own transportation to and from Jacobson.

Starting 3/7 Tracy Bike Life Youth Program is providing training in bike assembly, maintenance, repair, and safety to youth age 7-17. See attached flyer for more info or visit [www.tracybikelife.org](http://www.tracybikelife.org)

The Tracy Bike Life Youth Program provides training in bicycle assembly, maintenance, repair, and safety to youth ages 7-17 yrs. Students engage in hands-on learning while refurbishing a bike that they get to keep. Parents who attend with their kids can also earn community service hours.

## ENROLL NOW

Register Online for classes starting  
March 7, 2023 5 p.m.- 7 p.m.  
[www.tracybikelife.org](http://www.tracybikelife.org)  
305 West St. Tracy Ca

Students will:

- Get to KEEP the donated bike they fix up in the program, or they can donate it to another youth in need!
- Be introduced to valuable STEM skills in hands-on applications, giving them insight into potential future careers.
- Build character, gain confidence, feel a sense of accomplishment, and have the satisfaction of knowing they are self-sufficient, capable, and independent in a fun and safe environment.

TRACY EARTH PROJECT

The first soccer tournament is 3/31 in Merced. They need more people on the team if interested see Ms. C or Ms. Algers.

Earth Day Challenge 2023 is coming up. Students can collaborate in groups of 3 or as a class to identify an environmental issue and come up with ideas to address. Entries are due by April 14th. The winners will get a trophy and be announced at Earth Day even on April 29th.

## Tracy Earth Project presents: 2023 Earth Day Challenge

Tracy Earth Project presents the 2023 "Earth Day Challenge" to our TUSD students and surrounding districts to collaborate in groups of 3 or more/whole class to complete the following:

- Identify an environmental problem, create a solution, develop a plan, implement the plan and assess the process.
- The environmental problem or issue the group identifies can be one from home, school, community or globe, depending on the group's grade level.
- Be as creative and expressive as possible; projects may be presented through art, music, dance, written or video means, mechanical or constructed.
- Let those creative minds loose!
- Should be minimal to no cost involved, and materials can be reused, recycled or repurposed.
- 1 winning team from each level will be awarded a trophy, and individual medals will be awarded to all winning team members.
- Winning projects will be displayed at the Grand Theater, and teams will present their projects at school board and city council meetings.

**Register at: [www.TracyEarthProject.org](http://www.TracyEarthProject.org)**

Check out this amazing opportunity on Thursday March 30th from 3:45 to 5:00 PM in the West High School Cafeteria! Sutter Tracy Community Hospital and TUSD will be giving the public a chance to observe and learn about the famous Da Vinci system, a surgeon-assisted surgical robot used in performing minimally invasive surgeries not only worldwide, but here in our local community!

DON'T MISS THIS FREE  
OPPORTUNITY TO LEARN ABOUT A  
STATE-OF-THE-ART SURGICAL  
SYSTEM USED IN PERFORMING  
ROBOTIC-ASSISTED, MINIMALLY  
INVASIVE SURGERIES LOCALLY  
AND AROUND THE WORLD!

EXPERIENCE  
TECHNOLOGY OF  
THE FUTURE!

TRACY, CA 95376

Lawrence Livermore National Laboratory invites you to join us for these free high school workshops as we explore the biology, mathematics, physics, and engineering necessary for 21st century careers.

These workshops will help students strengthen their critical thinking and laboratory skills necessary to succeed in an increasing complex technical world.

Building bridges  
from the  
Laboratory to  
the classroom

## free high school student workshops

### STEM with Smartphones

**Weekdays, June 12–16, 8:30 am to 4 pm**  
A one-week workshop that engages high school students in formulating their passion for future careers in science and technology.

### Biotech Summer Experience

**Weekdays, July 17–28, 8:30 am to 4 pm**  
A two-week program that engages high school students in an authentic research project in molecular biology and bioinformatics.

Workshop Location: LLNL Discovery Center  
2500 Greenville Road | Livermore, CA 94550
